## **TERMS OF AGREEMENT & PARTICIPATION**

### **Release**

I do hereby release and discharge WorldStrides and its agents, employees, and representatives from all suits, claims, or liability of any nature arising out of or related to my participation in the Trip including, without limitation, claims for personal injury or property damage.

If I am traveling in the United Kingdom (UK) or European Union (EU), the collection and processing of personal data that may be required for WorldStrides to carry out my trip, may be subject to the data protection laws of the country where I am traveling. More information regarding policies related to the collection of data while in the UK or EU can be found in the WorldStrides Privacy Policy at <https://worldstrides.com/privacy-policy/>.

## **Media Authorization**

Participant hereby grants WorldStrides and its assignees, licensees, agents, representatives, contractors and affiliates (collectively, the “WorldStrides Parties”) permission to use Participant’s name, voice, likeness, comments, submitted documentation, written papers and/or biographical information including, without limitation, photographs, audio, video, movies or otherwise in which Participation may appear in connection with the Trip - for all legitimate internal business and for marketing, advertising, publicity, educational or promotional purposes without further consent from Participant and without providing any compensation.

## **Health & Medical Accessibility**

While not required, WorldStrides encourages participants with health concerns or accessibility needs, whether mental or physical, to disclose their concerns to WorldStrides at the time of registration. The disclosure of this information is not used to deny participation, rather it will enable WorldStrides and the participant to start a dialogue about the resources and accommodation that may be available. As accessibility services vary by country, WorldStrides cannot guarantee that all services offered in a participant’s home country can be matched abroad. However, efforts are made to provide reasonable accommodation.

## **Visa & Passport Information**

All participants must have a valid passport at least 90 days before the start of the trip, and securing a passport is the responsibility of the participant. Passports must not expire less than 6 months from date of travel. More information regarding passport procedures can be found at [travel.state.gov/passport](https://travel.state.gov/passport). Participants who are unable to secure a visa (if required) or passport will not be subject to any special refund, and the standard Cancellation Policy will apply.

## **CODE OF CONDUCT**

WorldStrides strives to provide participants with a community where they feel comfortable, supported, and respected. Worldstrides does not tolerate any form of sexual misconduct including, but not limited to, stalking, relationship violence, sexual harassment, sexual assault or rape.

Each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics and behavior. Participant is responsible for abiding by all such laws and standards for each country to or through which they may travel. Should a participant develop legal problems with foreign nationals or foreign governments, it is their sole responsibility to attend to the matter at their own expense.

Participants are subject to the foreign country’s laws and regulations, which may differ significantly from those of their home country and may not afford the same protection that participants are accustomed to.

The Resident Director will warn Worldstrides participants who are abusing the rules and are in danger of disciplinary actions; however, when the offense is serious enough to warrant dismissal, no warning shall be necessary.
